Task 1

Four students are being considered for the award of 'College Sports Personality of the Year'. Read these reports on them in the college magazine and choose A, B, C or D to answer the questions 1 – 10.

- A) Abe Graham has had an excellent year. A member of the college gymnastics team, he was involved in the successful bid to win the team trophy at the Southern Counties Championship in August. He also excelled in the individual events and his strength and superb control over the equipment won him overall third place. Abe is a dedicated gymnast. He spends a lot of his time training, both before and after school, and his weekends are mostly taken up with travelling to and from competitions. In spite of this he does manage to find the time to help out new members of the gym team and gives one-to-one tuition to promising newcomers.
- B) Jenna Styles is the only girl up for the award this year and she certainly deserves her nomination. Jenna competes on the track and her favourite events are the 200m and the 4x400m relay where she usually runs the first leg. In February, the girls beat off fierce opposition to win the relay event at the Junior College Championships and the next month Jenna went on to run for the national Under 21 team in Germany, where she came fourth in the 200m. When she's not training Jenna enjoys watching cookery programmes on TV and practising on the family!
- C) Perhaps our most successful sportsman this year has been Pete Banks. Pete has been swimming since he was only two years old and this year he was placed in the top five backstroke swimmers in the country. Unfortunately, injury prevented him from competing in the national Championships last summer where he had been predicted to beat the current British record for the 200m backstroke. Luckily, Pete is now fully recovered and will definitely be fit enough to swim in the International Schools competition in Paris next month. Pete has high ambitions and hopes to win a medal at the 2012 Olympics in London. Good luck to you Pete.
- D) The college football team owes a lot to newcomer Jake Spencer. Without his skills they would have been unlikely to get promotion to the Schools Premier League this season. Jake joined the team late this year after changing schools and his first achievement was in helping the team to victory over traditional rivals 'Beavers Cross College' in October. Everyone will remember his two outstanding goals in the second half. Jake's hero is the famous David Beckham and like David, Jake hopes to make football his career. More matches and goals like those last season and Jake should be well on his way to fulfilling his ambition.

Who...

1. started his/her sport when very young? Pete B. (C)
2. used to go to a different school? Jake (D)
3. has another interest? Jenna (B)
4. has competed in both team and individual events this year? Jenna and Abe (A)
5. wants to earn money from his/her sport? Jake (D)
6. does some coaching too? Abe (A) (B) (D)
7. was part of a winning team this year? Abe and Jenna and Jake (D)
8. has competed outside the UK this year? Jenna (B)
9. had a health problem? Pete (C)
10. hopes to succeed in big international sports competition? Pete (C)

Task 2

Read the e-mail and in statements 1 – 10 circle the correct word(s) in bold

Hi Becky!

How are things with you? It's been a good month since you were here in Spain and I expect you've settled back into college life by now! I hope everything's going well and that you managed to finish your project on time.

It was so good to meet you and your family while you were here and it would be great if we could keep in touch. I've really missed my English friends since we moved out here and I haven't had news from the UK for ages! What music is popular at the moment, which celebs have got married or divorced? Politics doesn't worry me - in fact, it's quite good to get away from all that!

As I told you I go to an international school here. I must admit, it's a fantastic experience and I can study all sorts of subjects I couldn't in the UK. I've also made some very good Spanish friends and I'm getting on well with the language and learning the recipes for some brilliant dishes! Since you left I've started my final year and I think it's going to be hard. We've all got to knuckle down because of the exams at the end of the year, if I do OK in them, I'll be coming back to England to go to Uni. So, maybe we'll meet up then if not before! I don't know if I gave you my mobile number or not but it's: 07796842633. It would be good to chat some time and catch up.

My mum and dad say hi to yours!

Hope you'll write to me soon.

Write an email to your foreign friend Dan who is going to visit Krasnoyarsk in early spring. In your email:

- invite him to attend some sport events that will be held in this period
- describe some places of interest you can visit together

Write 120 - 150 words. Remember the rules of letter writing.

Hey Dan!

I know you're going to visit Krasnoyarsk in early spring, and that is so cool! I'm really happy that I'll have opportunity to show you this beautiful and interesting city, and that we can visit the Winter Universiade 2019 together! The Talisman of this game is "U-Laika". "U"-mean University, "Laika"-that is kind of dogs which is so beautiful, big and strong, and they're not afraid of snow and cold. The slogan of this Universiade is "100% Winter", and when you'll come to Krasnoyarsk you'll know why they accepted exactly this slogan. Don't worry, in March in Krasnoyarsk is not so cold as it was in winter. It was -40°, yes, I hope you already understood why they confirmed this slogan.

Of course, in Krasnoyarsk you will be surprised not only by Universiade and much of snow, but also by very beautiful mountains, very clean and green forests. You can enjoy the fishing on Enisey river and travel in the mountains by snowbike. I hope you already so interested.

By the way, what is your favorite sport? Mine: hockey and curling. I am the "candidate to a master of sport" in curling.

Okay, I'm really waiting for you and bye!

With best wishes,
